Schools have long been institutions where discipline has not only been taught but is expected from the students. Our school's goal is to maintain and encourage high standards of personal conduct. These standards include honesty, discipline, integrity, ethics and values. Hence our students must inculcate in them the values of discipline and good character and uphold the dignity of our school.

### **Teacher's Remarks**

A Teacher is one who awakens the sleeping spirits, quickens the indolent, encourages the eager and steadies the unstable. The teacher who communicates his/her own joy in learning and shares with students the best treasures of his/her mind, lights many candles which in later year, will shine back to him/her.
